Have you ever thought there's a new action role-playing game you don't need without fighting yet? So let 1Phut.io introduce an exciting game called The New Fling Fighter. In this game, you don't have to be a fierce chopper and you will throw each other and defeat your opponents. This unique game is released by Crane Ball. This game has brought a new breath to the gaming community, a fun, fun game. If you are tired of choppy action games in the market, why not try Fleming Fighter? From the table [ShowHide], Fling Fighter, which I mentioned above, you will be immersed in the funniest shooting jokes without having to move your hands. Your mission is simply to jump and throw weapons to attack the enemy. Anyone who loses blood is a loser. It sounds like a gurney – a turn-based shooter, but Wrong. In this game you are free to move, dance continuously and throw unlimited joy. Character SystemFling Heights owns more than 40 characters. Characters During The Year, The Bow Master, Pella Basketball, Apeboy ... Each has their own weapons attached to them like Honky Tonk using a skateboard, and John throws a gun. In addition, the character's skills and combos are also very different. The range of weapons varies, so you can use them to dodge enemy attacks and throw them in the head. In particular, you have to defend them to win the season and climb the leaderboards. Rampage Fighter is a time ramping battle game where you attack each for maximum effect. You jump and you dodge enemy throws. You throw your weapon and wait for the right moment. While you're at it, you'll need to keep an interest around it so you don't get stuck in a steel cage, electrolymped by a high voltage trap or falling from Train. At the same time, you need to force your opponents into these exact traps to gain an edge over them. Choose your favorite fighters from 40 and upgrade them to follow your opponents. There's Griney. There is a bowmaster. Apeboy. Big basketball fella and more to choose from! They all have special combos. Each island is defended by a firm. Boss Guards reassure your chest with precious loot. You can fight for it, become a champion and enjoy the loot! Game features – held against players from around the world – playing with 40 monster characters – unlocking and upgrading cards with powerful combos to use – Fighting bosses on all islands – 10 maps for strategic fighting moves – 9 traps and mechanics to avoid or use to your advantage - Online multiplayer – Free local multiplayer – 2-day challenge - Leaderboards and ranking system are you flinging hard?
